29/09/2020	Gutter at bus stop on Peterborough Road Broken opposite the village hall	Andy Bryan	An order has been raised to have the Gutter repaired	Complete

29/09/2020	outside 47 Peterborough Road the Gully's are blocked and overflowing	Drainage Team	We have attended and cleansed the gully opposite 47 Peterborough Road, whilst in the area again on 21st October my contractors undertook a visual inspection and the gully appeared to be slow draining, on lifting the Anglian Water Manhole outside number 47 this had evidence it was holding water thus making the gully slow draining. We will add this AW surface water manhole to a list I am compiling, along with other sites in Peterborough and will get them to undertake further investigations.	With Anglian Water
29/09/2020	Stop Signs and white lining around traffic calming has all faded away	Highways	The road markings are on the list and will be refreshed after April when new budget for road markings has some money in it and the weather is more suitable for road markings.	
29/09/2020	The Green, the kerb stones have broken away leaving a trip hazard	Highways	Kerbstones on the green are to be replaced with standard kerbs but again will have to wait until funding is available, order is ready to go once I have the money.	
29/09/2020	Property The Elms has private trees overhanging the public highways possible obstructions	Highways	A letter has been sent to the Elms regarding trees	
29/09/2020	At the end of Silvester Road the double yellow lines need removing as previously indicated	Highways	Peter tab will chase this order again with the contractors	Complete
29/09/2020	There used to be a public right of way from Silvester Road to Clay Lane this was fenced off about 5 years ago, the parish did previously send documents into PCC to have this designated as a right of way but it was not done and residents would like this reinstated what can be done?	Highways	Further investigation will be needed.	Lee Moore has asked you forward any records or documentation from the Parish re the history of this site and requests to claim PROW

29/09/2020	There are 3 steps outside the entrance to the church that need a Hand Rail	Highways	The rail outside the church, this was one Andy Tatt was looking at, he requested a price to install the rails and was going to look into its funding but I never heard anything else about it. We will investigate further.	This is going to proceed and Lee Moore will arrange the install
29/09/2020	The 30mph sine in currently inside the 20mph zone can this be moved to lamp post PCC1	Highways	30mph signs in wrong locations were passed back to the depot who did the install of the new 20mph to check all signs, which I believe has been done.	This will be relocated as soon as staff resource becomes available
29/09/2020	The sign on Ambleside needs re setting as it is loose and the 30mph sine needs to be taken down	Highways	There is no Ambleside in Castor so not sure what this refers to?	James - this is the junction of Mill Lane & P'boro road at the top of Loves Hill.
29/09/2020	Can we have a brown sign to indicate where the Standing Stones are	Highways	Peter Tebb was unaware of this request so have been sent details	This will be actioned as soon as staff resource becomes available
