

Dear Parish Council,

We are the Unicef ambassadors at Castor C of E Primary. Our team would like to do litter picking in our village more often. You see, this could make a big difference in our area, it won't just help the animals, it will also help our planet. We wish to make a change to help our planet, and this message will spread around the world so everyone can help.

Yours faithfully,

The Unicef team

We would be grateful if you would be able to let us know how we can help and if we could help on a regular basis.
