Cllr Shaw confirmed that he would be taking these concerns up with the planning authority.
- e) **Woodlands** –
- i. Cllr. David Shaw referred to the site familiarisation visit attended by a few councillors and offered to visit the site with those councillors unable to attend. Cllr Shaw also undertook to list relevant policies in the Neighbourhood Plan and the Local Plan that would be of particular relevance to the site and circulate these to councillors. Subject to councillors' agreement the note could then be sent to Country Court Care, Nene Park Trust and the planning authority along with reiterating the request for a comprehensive site plan showing the vision for the whole site. Any forthcoming application could then be considered in the context of the overall plan and the appropriate planning policies.

- c) **Castor in Bloom** – Cllr. Jane Greene reported that she had made enquiries of suppliers of various planters, Cast Iron were not available and the company were not taking any more orders. Responses are still awaited from companies supplying stone or wooden planters. Given that once orders were placed there would be lead times before delivery and they would then need placing, planting and maintaining we RESOLVED to delegate the authority to place orders for planters, within the approved budget, to Cllr. Mrs Greene in conjunction with the chairman.
- d) **Queens Platinum Jubilee** –
 - i. **Commemorative tree on the Village Green** – Cllr. Mrs Green reported that she had obtained prices for Oak Trees and Common Walnut trees of various sizes.
